For sale: a fantastic, move-in ready loft on the second floor, comprising two levels connected by a cantilevered metal staircase. Upon entering, you will find a compact foyer and a bathroom with a separate shower. Straight ahead is the open-plan peninsula kitchen, facing south, and the living/dining room. From here, two floor-to-ceiling windows offer views of La Rotolera and the surrounding mountain range? pure mountain and open sky, meaning light, nature, and plenty of privacy. Above the kitchen is the double bedroom, currently fitted with a double wardrobe and secured with a steel railing. It also receives natural light and is open to the rest of the apartment, but it could be partitioned off to create a separate bedroom with its own door.

Furthermore, it s not only being sold furnished, but also includes a storage room of approximately 14m² in the basement and a parking space 19m².

The building dates from approximately 2010. Viewing is highly recommended. Excellent location.
